BLAISE KOLODYCHUK PRESENTS: NANDI BEAR TENANTS

Captain Trash and Veltrax surprisingly didn't leave the island! Instead they are hiding in the trees behind the great Temple of Tamameowmas. Watching, and waiting.

This back door doesn't seem very heavily guarded. Look there's only four Military Armadillos.

I think this may be our way in old friend...

Do you want me to jump on them and rip them a new set of nostrils?

I don't think that will be necessary. I will use my psychic powers. After all, they are Armadillos, and there is only four of them.

But what if they are replicant soldiers?!

No worries old friend, my powers work on all non humans. Robots included. Lets go!

Captain trash uses his powers to temporarily take over the minds of the guards to make Veltrax and himself invisible while they slip into the temple!

Do you hear something?

It's your imagination.. Stop eating so many burritos before bed.

Once inside they enter a giant room filled with a fantastic machine!

This place is incredible! I wonder why it isn't guarded?

All the security must be outside. Thisplace seems important.. Top Secret.

Look over there veltrax, it looks like someone is in that large tank connected to the force field thing.

Yeah, lets check it out..

Excuse me ma'am, you seem to be translucent, and stuck in this tank, can I help you?

Captain Trash! You have come! It was I who sent you the psychic message to come here.

Well who are you? And how do you know about us?

I am a ghost, Sgt. Stripe captured me in the ghost world so I could power this diabolical machine.

Okay, but who are you?

Well, I'm Auntie Nandi!

Naiad and Galaxy are my niece and nephew!

HELLO WORLD, THIS IS YOUR FAITHFUL VLOGGER KLOR HERE WITH MY KICK BUTT SUPER HERO FRIENDS, BABY MEGA BOY ELECTRIC AND SUNNY!

1.

I HAVE TAGGED ALONG WITH THEM ON WHAT WILL BE THEIR FIRST MISSION WITHOUT THE HELP OF ANY OF THE MORE SENIOR MEMBERS OF THE NANDI BEAR TENANTS.

2.

WE HAVE JUST WALKED INTO THIS BANK, OUR INFO SAYS THAT IT IS BEING ROBBED BY A BIG ROBOT... AND THERE HE IS! MAN, HE LOOKS SCARY!

3.

THE BIG ROBOT ZOR SEEMS TO ALREADY HAVE THE BAGS OF MONEY HE CAME FOR AND ALL THE CUSTOMERS AND STAFF APPEAR TO BE ON THE GROUND UNHARMED.

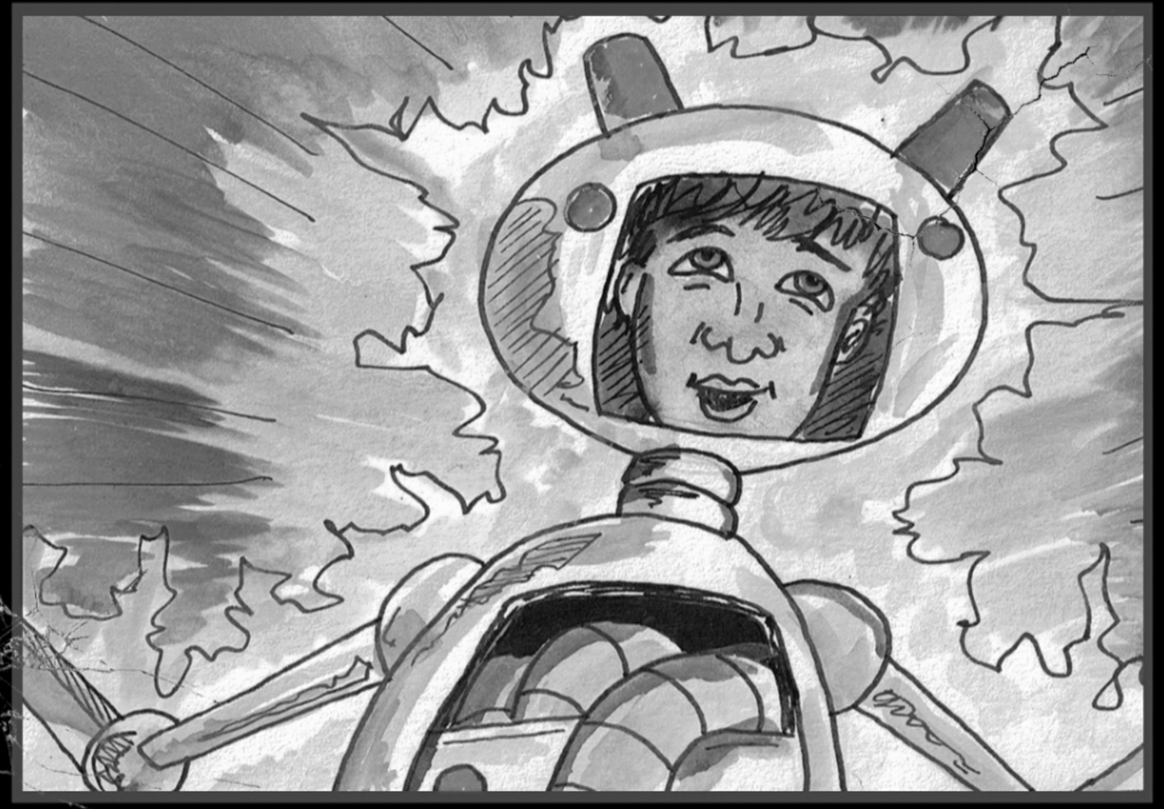
4.

OKAY, LOOKS LIKE THE FIRST BLOW GOES TO OLIVER, WHO JUST HIT THE BIG ROBOT ZOR WITH A BLAST OF ELECTRICITY!

1.

OH.. BAD NEWS, THIS GUY PROBABLY RUNS ON ELECTRICITY, LOOKS LIKE HE IS GETTING STRONGER, AND ANGRIER!

2.

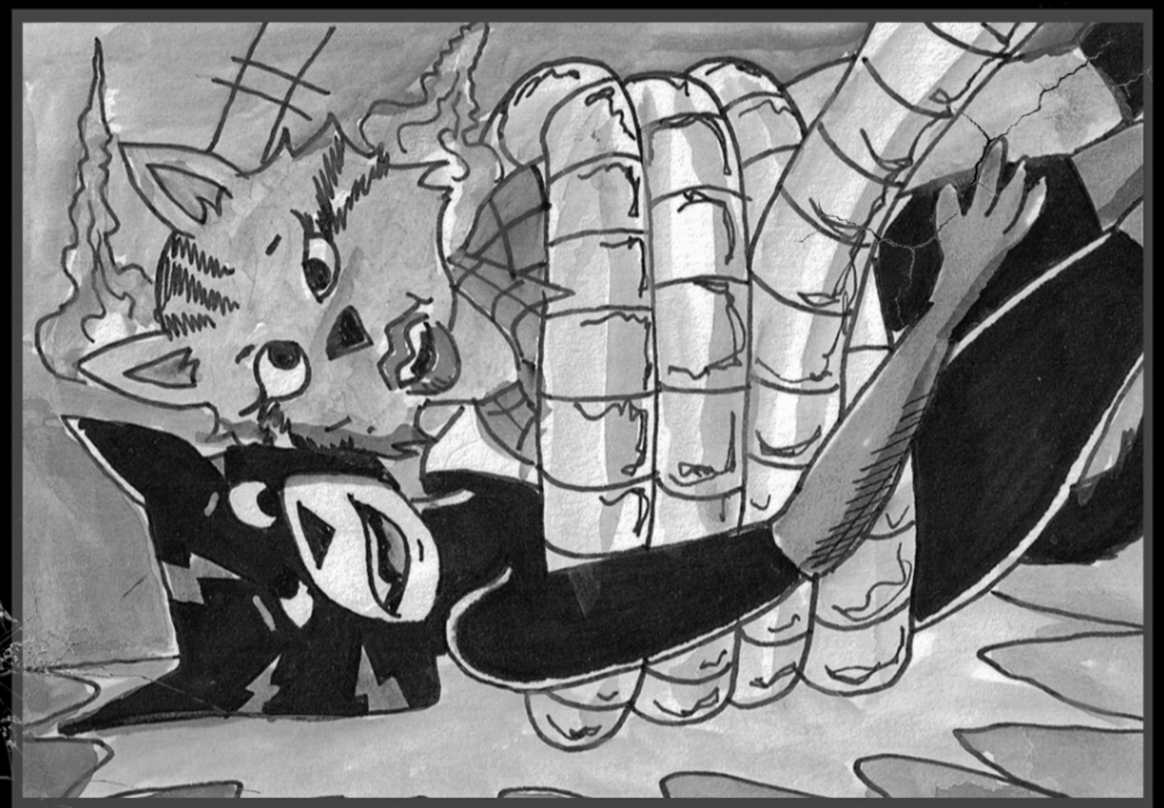


ZOR'S TURN, HE HAS OUR TWO HEROES CAUGHT IN SOME SORT OF METAL TENTACLE THAT SHOT OUT OF HIS CHEST.

3.

YUP, THEY ARE NOW BEING SLAMMED REPEATEDLY ON THE GROUND... THAT'S GOTTA HURT!

4.



WAIT, SUNNY IS FLAMING UP! TOO HOT FOR THOSE ROBOT TENTACLES.

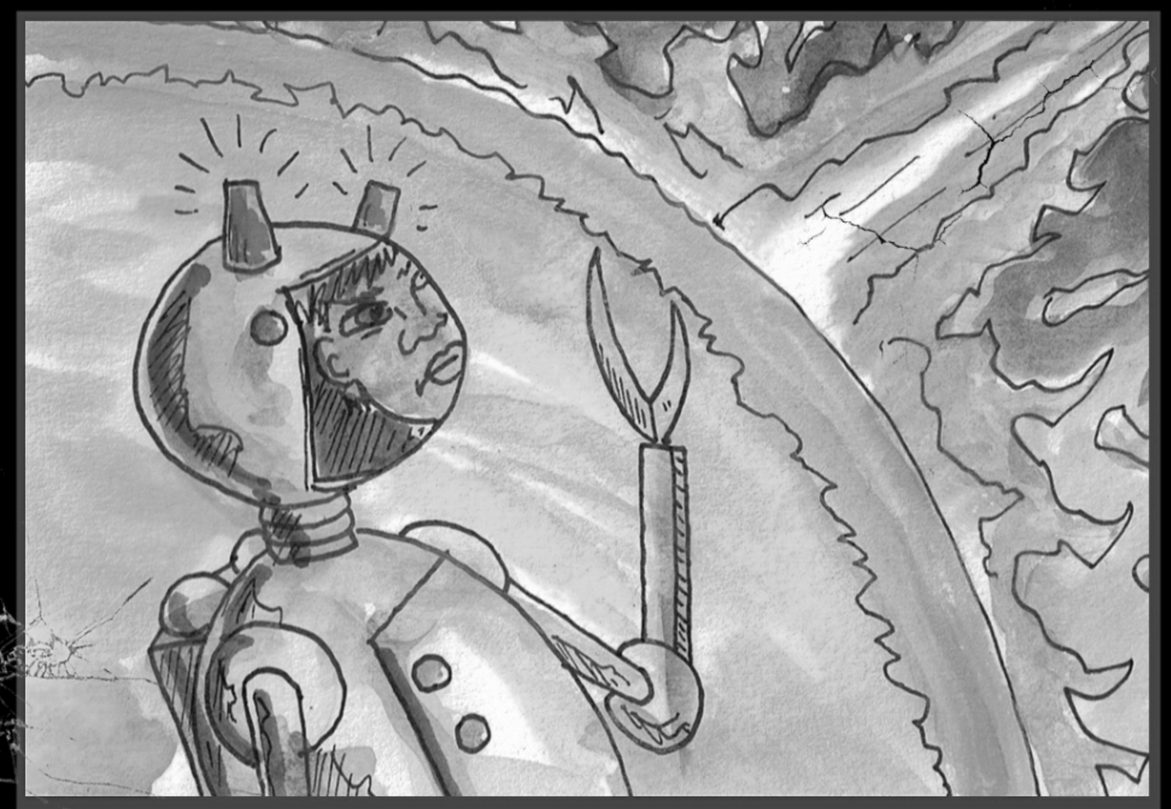
1.

NOW SHE'S BLASTING THE ROBOT WITH HER FIRE POWERS! THIS MAY DO IT!

2.

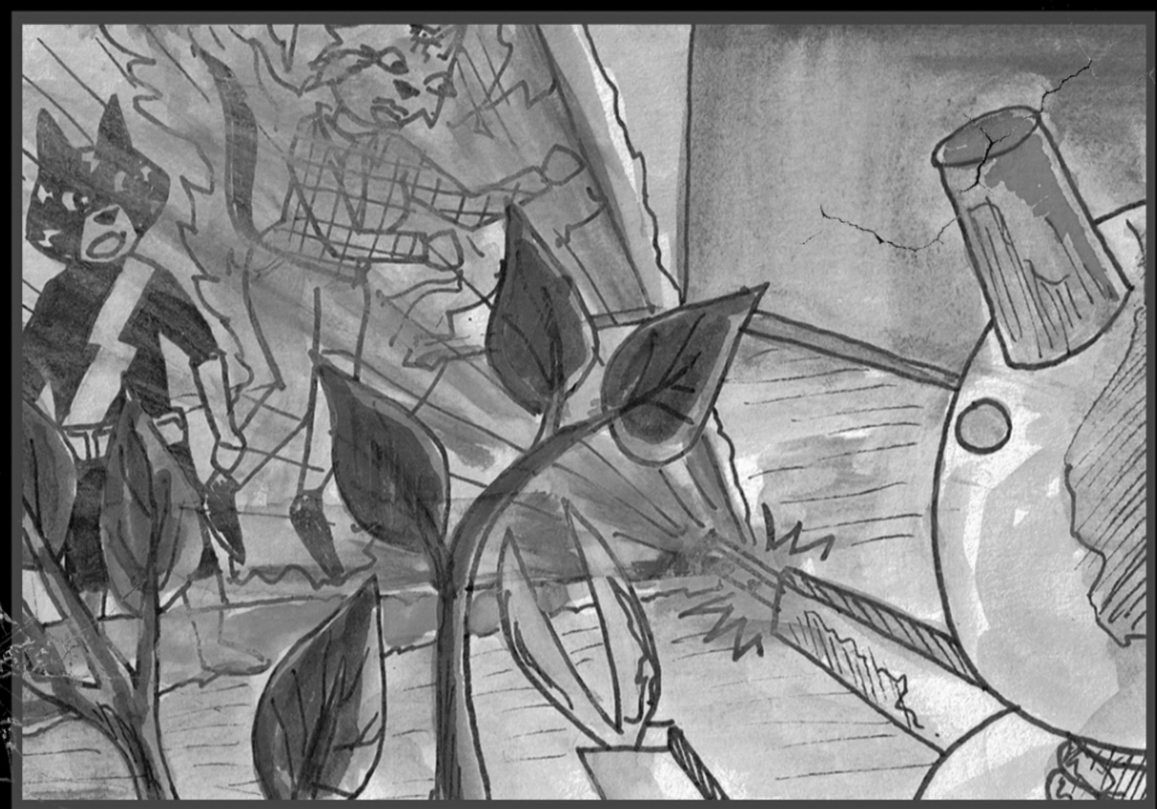
NOPE. ZOR HAS A FORCE FIELD FOR JUST SUCH AN OCCASION.

3.



ANOTHER ATTACK FROM ZOR. SOME KIND OF ENERGY BLAST, LUCKY I'M HIDING BEHIND A PLANT BY THE FRONT DOOR.

4.



OUR HEROES ARE ON THE GROUND. IN MY OPINION, THIS ZOR FELLA IS JUST WAY TOO TOUGH FOR THEM.

1.

YUP, BLASTING A HOLE IN THE WALL.

2.

YUP. ESCAPING WITH THE MONEY. YUP. THESE GUYS LOST THIS ONE.

3.

KLOR, YOU CAN STOP FILMING US NOW. PLEASE.

NO WAY DUDE, I'VE GOT 50,000 PEOPLE WATCHING THIS!

4.

On an amazing space station orbiting Earth, FORCLUNE the armed Snake from another dimension and the Galaxy's most powerful psychic cat, PATTEE are helping our four heroes locate their lost friend...

Can you decipher the readings we got?

Yes, the information will be ready in a moment.

This seems serious. I don't understand how Naiad could get kidnapped and taken across the galaxy in one night!

Seems like Super Punk is involved.

That scum master has been screwing up my sister's life for as long as I can remember.

Life was so much easier after I drained him of his powers and he was destroyed.

I'm sorry I brought him back to life and let him escape! It was totally an accident.

No one's blaming you Stensor. But yeah. This whole thing is all your fault.

The computer has finished analyzing your data. Apparently Naiad Bear has been taken to Animole world!

Animole World! That's out even beyond the Cat Planet! How on Earth did she get out there?

I sense something powerful is to blame. If Super Punk has acquired the ability to travel that far so quickly, I'm sure it's no good.

We need the fastest space ship you got Forclune.

Shuttle F5 is available in the docking bay. That will get you there.. But it will still take some time to get to Animole world. Here is a hand unit that will help you locate Naiad once you are there.

Thank you Forclune.

I can use my powers to help us get there faster.

Good call Dorriss. Be careful my friends.

And that is where the journey to Animole Wolrd, and to save Naiad starts...

F-5

Back at Super Punk and Floyd's tent of terror...

Floyd, hand over the helmet. I'll take care of this situation myself since you are obviously unable to do the job.

But I need to maintain the psychic link with Naiad to keep the nightmare world going!

Use your powers. Give me the helmet.

Okay, but I won't be able to do anything but focus on the nightmare realm. I won't be able to watch your back if there's trouble.

No worries, that's why we have our 6 legged friends outside. They will keep us safe.

No escape.....

Wait, whats that noise?

CRAAACKK--

Oh no.

Super Punk! You vile man! What do you want from me?

AS YOU MAY HAVE GUESSED, YOU ARE NOT EXACTLY IN A DIMENSION OF REALITY. AND AS SUCH, I CAN DO WHATEVER I WANT.

yes, very clever.

MY ASSISTANT FLOYD WAS TRYING TO PRY SOME INFORMATION OUT OF YOUR HEAD, BUT I WILL JUST GO AHEAD AND ASK YOU. IF YOU REFUSE TO ANSWER, I WILL HURT YOU. IT'S AS EASY AS THAT.

What do you want??

YOU MAY REMEMBER WHEN YOU RAN AWAY FROM ME, WHEN YOU CHOSE TO FOLLOW THE PATH OF STENSOR INSTEAD OF STAYING AT MY SIDE.. YOU STOLE SOMETHING FROM ME.

The Amulet of Daniel! That is what this is all about?!

YES. THE AMULET OF DANIEL. THE AMULET I USED TO ORIGINALLY ACQUIRE MY WARLOCK POWERS. AFTER YOU RAN AWAY IT WASN'T A PRIORITY BECAUSE I ALREADY HAD MY POWERS.

But since Dorriss drained you of your abilities and destroyed you, now you need to recharge. Well there's no way I will tell you what I did with it! I would rather die than have you back at full power again!

SO BE IT.. I WILL STILL FIND THE AMULET, I JUST THOUGHT I WOULD GO STRAIGHT TO THE SOURCE.

And there's something you didn't realize...

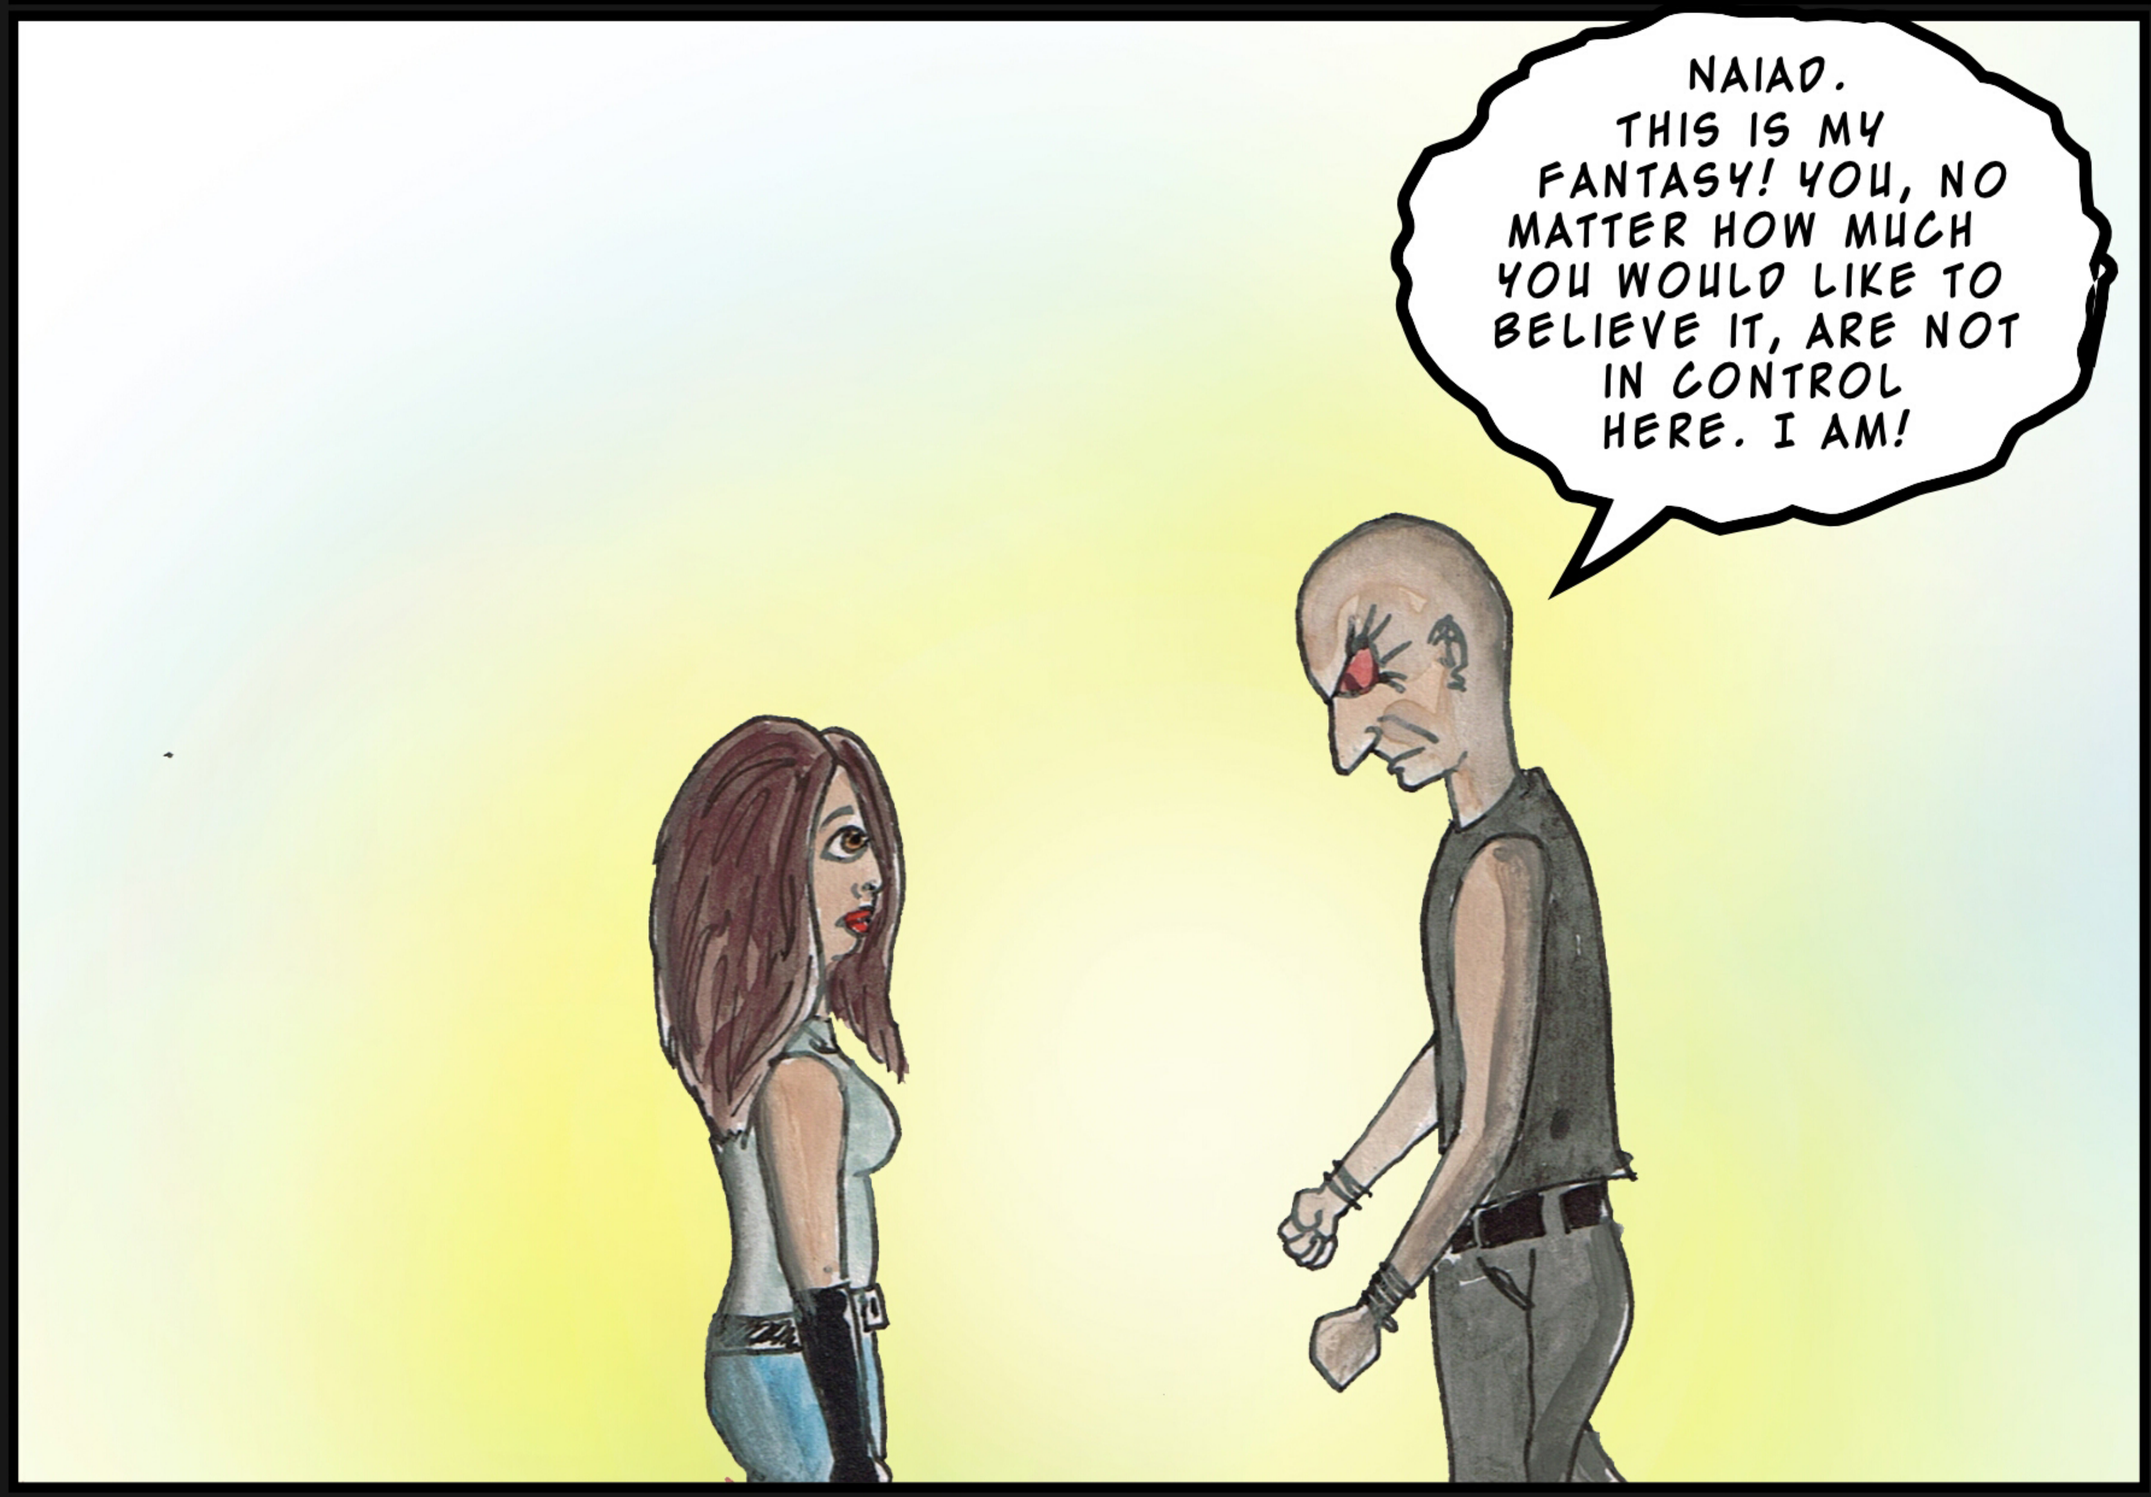
WHAT'S THAT, MY DEAR?

If this truly isn't a dimension of reality and fantasy rules... then I also can do anything I want if I put my mind to it!

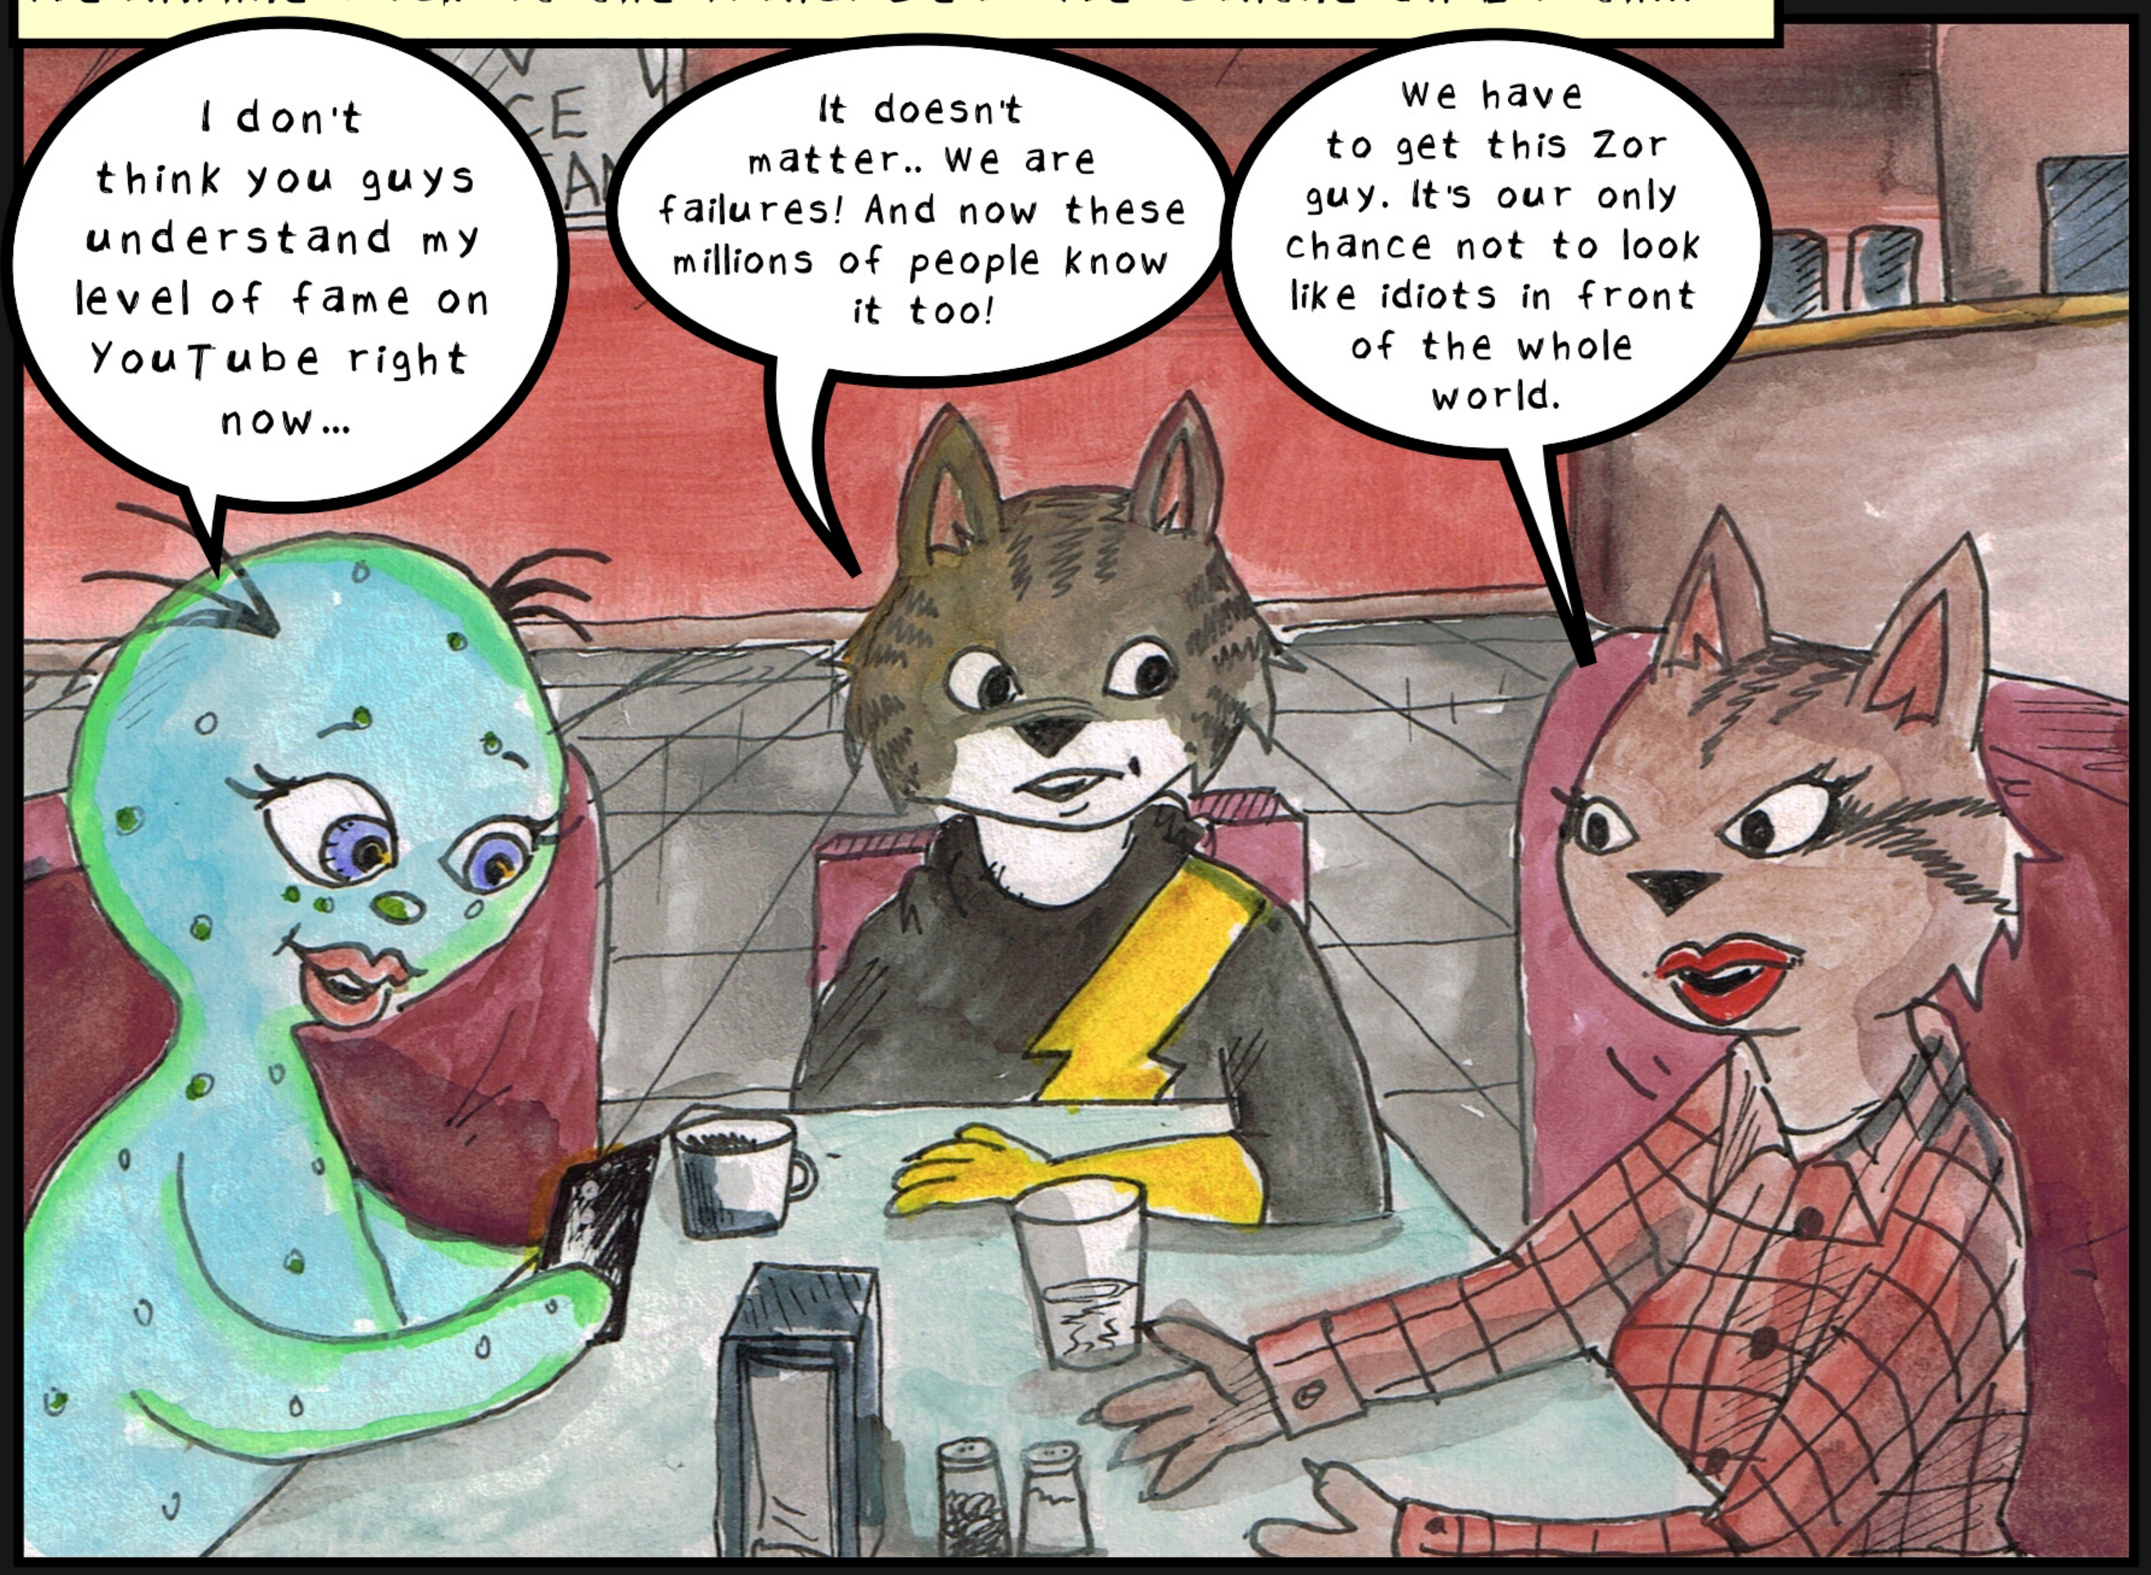
Naiad concentrates and the strange trees of this mystical forest turn on Super Punk, wrapping him in a wooden prison!

Now you are trapped you creep! Tell me which way I go to get to the exit!

But suddenly there is a blinding flash of light and Naiad finds herself face to face with a very free and powerful Super Punk once again.



Meanwhile back at the Nandi Bear Mercantile on Earth...



I don't think you guys understand my level of fame on YouTube right now...
It doesn't matter.. We are failures! And now these millions of people know it too!
We have to get this Zor guy. It's our only chance not to look like idiots in front of the whole world.

TO BE CONTINUED...
